

# Open House

*What is there to see at the Open House?*

<sup>1</sup> "I want to show you my butterfly, and my flower poster, and...."

<sup>2</sup> "Hey, slow down, Ted. We'll look at everything. Don't worry," said Ted's dad. Ted grinned. He was excited about showing everything in his classroom to his parents.

<sup>3</sup> Ted led them around the room to his butterfly model, his flower poster, his plant report, and his part of the butterfly life cycle. At each stop, his parents said, "What a great job, Ted!" or "That's wonderful, Ted!"

<sup>4</sup> At last, they stopped near Ted's desk. "These are for you," said Ted. He handed a handful of coffee-filter flowers to his mom. "Great job!" and "That's wonderful!" didn't seem to be enough, so Mom just gave Ted a hug.
