Dear Ms. Takeda,

Here are the directions you requested. They should bring you directly to our main factory outside Melbourne.

As you drive out of the airport, get onto Highway Nine going west. Take that for about 15 kilometers, until you reach the Pettigrew Overpass. Continue on for an additional 3 kilometers to Exit 3. Take that exit and it will lead you to Coldicote Road. Turn right there, and head north for about 4 more kilometers.

After you pass the Herald Hotel on your right, you'll only be a minute or two away from us. If you see Blake Stadium, you'll know you've gone too far, so make a U-turn at Carlton Park or East Pacific Bank and come back toward us.

Guest parking inside the facility is free, but please be sure to enter one of the spaces marked for visitors. Marsha Jensen and William Marsden will meet you at the gate and see you through security. You'll be able to see them as soon as you pull up.

If you have any questions at anytime, please e-mail me at the address above. That also goes for my cell phone.

I look forward to seeing you soon.

Sincerely,

Joseph Moorsville
