

Part 3: Short Conversations

Directions:

In this part of the test, you will hear short conversations between two people. In a real test, each conversation will not be written in your test book. You will hear the conversation only once, so you must listen carefully to understand what the speakers say.

In the test book, you will read a question about each conversation. The question will be followed by four answer choices. You are to choose the best answer to each question.
