Part 4: Short Talks Tapescript

Questions 1 through 3 refer to the following report.

Looking at our county-wide traffic map, we see that traffic is crawling along the valley freeway right now, as well as the southbound lanes of Interstate 6. Elsewhere it looks pretty good, with volumes on northbound Interstate 6 beginning to build up here, near Headport, and again here south of the city near Duwamps. A check of the KAPE real-time camera shows a smooth commute at this hour through downtown Floss. Now, switching to the eastside camera, we can see a stalled vehicle backing up traffic on State Route 7. But I see flashing lights, so help is on the scene. That's traffic at this hour, still pretty light but starting to build. I'm Ross Dinsmore for KAPE news.

Questions 4 through 6 refer to the following report.

Christie Christian here with a WUMP 97-point-3 FM bottom-of-the-hour traffic update. Interstate 1 northbound is a mess from the city center to the county line due to an earlier two-car crash in the center lane. Southbound Highway 3 is a virtual parking lot from Evergreen Street through downtown, then clears until Spruceville, where it's stop-and-go from Spruceville to the southern county line. Elsewhere, traffic is flowing smoothly except on eastbound State Route 440, where an overturned semi truck has traffic backed up from the Lake Bridge onramp to mid-span of the bridge. This has been Christy Christian for WUMP 97-point-3 FM. The next traffic update will be at the top of the hour. Now, back to the music with Steve Sarkonian.
