

TOEIC LESSON MANAGEMENT (25- minute lesson)

GENERAL INSTRUCTIONS

- A. Orient student on what he/she will do in each type of test. Do this only on chapter 1. **For the remaining chapters; you don't have to do the orientation.**
- B. Student must type his/her answer on the Skype chat box.

PART VII: READING COMPREHENSION

- A. Tell the student that in Part VII he/she will read passages in the form of letters, ads, memos, faxes, schedules, etc. The reading section has a number of single passages and 4 double passages.
- B. He/she will be asked **2-4 questions** about each **single passage**, and **5 questions** for each **double passage**. Sometimes you will be asked for specific details.
- C. Other times he/she will be asked about what the passage implies.
- D. In the paired passages he/she will also be asked to make connections between the two related texts.
- E. On the real test you will not have time to read every word. You need to practice scanning and reading quickly for details.
- F. Assist student on how to do scanning and how to read quickly
- G. Manage time wisely in this part of the test.

Suarez Drilling Corporation

1217 Isabella Avenue, Buenos Aires, Argentina

Ms. I Ursula Kahanian
Dienst and Klein Auditors
1001 Wellington Avenue
Toronto, (Ontario
Canada

Dear Ms. Kahanian;

We will be pleased to welcome you to our headquarters for the yearend auditing procedures.

Paula Jenkins tells us that you will arrive in Buenos Aires on flight BA 209 on Monday, January 30, at 10:10 a.m. I have instructed my assistant, Carmen Sierra, to drive you directly to our main office and make sure that all the arrangements for your stay are satisfactory. We will put a computer terminal at your disposal in a private office. should you have any special requirements, I would appreciate it if you would

phone or fax us to let us know before your arrival

We have booked a room at the Santa Catalina Hotel in the center of town, which serves breakfast and dinner.

Alternatively, we can recommend many fine restaurants in the center of town. We have arranged for you to have prepaid lunches at our staff cafeteria. Ms. Sierra will take care of the transport arrangement for your return to the airport on Friday the third.

I look forward to meeting you next month.

Sincerely

Financial Director

Questions 8- 10 are based on the following notice

If you do a lot of business traveling, sooner or later you will need ground transportation. For trips that are too short for a rental car and too long for a taxi, it makes sense to hire a car service. Such services are often called limousine services. They operate in large cities and in small ones, and even in rural areas where there are few airports or major transportation centers.

8. Why would you want to hire a car service?

- A. Your car breaks down.
- B. You can't take a taxi or rental car.
- C. It's less expensive.
- D. You are in a large city.

9. What is another name for a car service?

- A. Ground transportation service
- B. Taxicab service
- C. Limousine service
- D. Airport service

10. According to this notice, who should hire a car service?

- A. People whose flights are late
- B. People whose flights are early
- C. People on leisure trips
- D. People on business trips**

Questions 11- 13 are based on the following notice

To assist road users making informed travel choices throughout this critical wet weather and flooding period, the Department of Transport and Main Roads is providing a variety of traffic and travel information (TTI). TTI provided include point-in-time summaries of access status for major roads across the state, No-Go/Danger Zone information, twice daily flood maps for a visual depiction and continued provision of real-time road closure and incident information. Please remember to consult all available information and if in doubt refer to real-time road closure and incident information as this information is updated as conditions change.

11. Which information is not provided by the Department of Transport and Main Roads?

- A. summaries of access status for major roads
- B. No-Go/Danger Zone information
- C. Floodway system update**
- D. real-time road closure and incident information
