RE: Repair order #2089—P29 flexible micro-video camera, Serial #A345

Dear Dr. Hadley,

I am writing to inform you that the micro-video camera you sent us will take approximately one week longer to repair than originally

141. (A) necessary
(B) hopeful
(C) projected
(D) available

What we found upon receipt of the camera was that the lens was damaged due to fluid intake during routine after-use

142. (A) cleaning
(B) cleanliness
(C) cleaned
(D) clearance

We went ahead and cleaned the lens assembly, but then found a further problem. Not only will the lens need to be replaced, the cable guide also to be worn.

143. (A) is
(B) appears
(C) hasn't
(D) discovered

The lens we have stock, but the cable guide will need to be ordered from the manufacturer in Germany.

144. (A) in
(B) for
(C) on
(D) through

The additional cost in parts and labor is expected to amount to another \$720. If you have any questions at all, please do not hesitate to call.

Yours sincerely,

Grandma Gaia's Granola

is good for body, mind and planet.

The newest addition to our granola family is called Triple Omega Three, and is so, you may forget it's good for you.

145. (A) tasting
(B) tasteful
(C) taste
(D) tasty

Omega-3 is an essential fatty acid which promotes brain development, and three of the richest sources of this important nutrient – walnuts, flax seed and hemp seed – are all in this great new cereal.

146. (A) found
(B) completing
(C) plenty
(D) various

Most granolas use ordinary rolled oats, but Grandma Gaia uses sprouted oats, to provide you with more Vitamin A, more Vitamin C and enzymes to aid digestion. It goes without saying that this granola is in dietary fiber.

147. (A) full
(B) heavy
(C) rich
(D) loaded

Grandma Gaia goes one step further no artificial sweeteners.

148. (A) uses
(B) to use
(C) by using
(D) we use

You won't find a spoonful of refined sugar anywhere.

So pour on a little soya milk and enjoy. Your body will thank you, your mind will thank you, and your planet will thank you too.
