### A CHILD-REARING PROBLEM

Timothy and his little sister, Patty, don't get along with each other very well. In fact, they fight constantly. He picks on her when it's time for her to go to bed. She picks on him when his friends come over to play.

Timmy and Patty's parents are very concerned. They don't know what to do about their children. They have looked through several books on child rearing, but so far they can't seem to find an answer to the problem. They're hoping that eventually their children will learn to get along with each other better.

## ON SALE

Gary went to a men's clothing store yesterday. He was looking for a new sports jacket. He looked through the entire selection of jackets and picked out a few that he really liked. First, he picked out a nice blue jacket. But when he tried it on, it was too small. Next, he picked out an attractive red jacket. But when he tried it on, it was too large. Finally, he picked out a very fancy brown jacket with gold buttons. And when he tried it on, it seemed to fit perfectly.

Then he decided to buy a pair of trousers to go with the jacket. He looked through the entire selection of trousers and picked out several pairs that he really liked. First, he picked out a light brown pair. But when he tried them on, they were too tight. Next, he tried on a dark brown pair. But when he tried them on, they were too loose. Finally, he picked out a pair of brown-and-white plaid pants. And when he tried them on, they seemed to fit perfectly.

Gary paid for his new clothing and walked home feeling very happy about the jacket and pants he had just bought. He was especially happy because the clothing was on sale, and he had paid fifty percent off the regular price. However, Gary's happiness didn't last very long. When he got home, he noticed that one arm of the jacket was longer than the other. He also realized very quickly that the zipper on the pants was broken.

The next day Gary took the clothing back to the store and tried to get a refund. However, the people at the store refused to give him his money back because the clothing was on sale and there was a sign that said "All Sales Are Final!" Gary was furious, but he knew he couldn't do anything about it. The next time he buys something on sale, he'll be more careful. And he'll be sure to read the signs!
