Re: Marketing meeting tomorrow

Bille, Mick,

I've attached the latest figures and customer-feedback summary, which seem to confirm what we discussed last time. Restaurant sales are holding up but, as expected, our takeout and delivery revenues are down again this month.

If we want to defend our market share against Pizza Hut and the other international majors, and attract new franchisees, we desperately need to relaunch our product.

So, here's the agenda for the meeting:

- |  |  |
|--|--|
| 1 a new, more exciting range of pizzas | 3 a new or updated logo and color scheme |
| 2 new promotional ideas                | 4 a new box for takeout and delivery     |

Looking forward to hearing your ideas on all these points tomorrow.

Jack Jr,

President & CEO

| 1 Of course, but we can come back to that later?                              | a) It's not a wonderful idea, but it's a possibility.                   |
| 2 Can we move on to point two?  | b) It's not a priority right now.                                       |
| 3 Well, Billie, it's been done before, but I guess we could do that, Why not? | c) It's a bad idea.   |
| 4 I'm sorry?  | d) I don't want to waste more time on this.                             |
| 5 I'm not sure that's a direction we really want to go in.                    | e) I know we disagree about this.                                       |
| 6 That's more the kind of thing I had in mind.                                | f) Big Jack's is old-fashioned.   |
| 7 I think you feel strongly about this?                                       | g) What are you talking about?  |
| 8 Things have changed since Big Jack's time.                                  | h) It's not exactly what I wanted, but better than your previous ideas. |
| 9 This is all very interesting, but ...                                       | i) I've decided, whether you like it or not.                            |
| 10 I trust you'll agree.  | j) This isn't relevant.   |
